

# UKRAINE

## Agenda of the FINAL CONFERENCE of UKRAINE Project

*21<sup>st</sup> of September, 2016*

Working languages: Ukrainian, English

*Venue: National Technical University of Ukraine "KPI",  
37, Peremogy ave., building 6, Administrative Council Hall*

*The conference is organized within the framework of the project "UKRAINE"  
("Ukraine Replication, Awareness and Innovation based on EGNSS")  
([www.project-ukraine.eu](http://www.project-ukraine.eu)), which is financed by the EU Framework  
Programme for Research and Innovation Horizon 2020.*

*The objectives of the project "UKRAINE" are to foster application  
development through international cooperation and to create a broad acceptance  
of EGNSS in Ukraine, creating at the same time opportunities both for  
knowledge building and at commercial level.*
